

## In Memory of David “Large” Cantrell

It has been a little over 2 years since our “larger than life” friend and colleague David “Large” Cantrell departed this earth to play ever-green, ever-lush golf links beyond the Pearly Gates. This gentle giant positively touched the lives of so many people across the world.

David was a friend and ICON to AmCham. David joined the ALGosaibi group in the early 80’s and retired in January 2021. David was the President of ABA-EP for 24 years, past Chairman of MECACC, and Chairman of the annual golf tournaments for 19 years, a huge supporter of AmCham even after retirement.

David’s wife Renata and daughter Allie thank all for the heartfelt condolences. It has been a difficult time for both.

David is sorely missed by the AmCham community.

This one is for you
